
Banana Split Card Game

suitable for key stage 2 and above banana split game - banana worker there are five main roles in the banana chain (this is a slightly simplified version of the real world, but is appropriate for the purpose of this game). these role cards can be used by the facilitator to tell each group about the work they have to do.

banana split role cards bananagrams - f.g. bradley's - this is a one player version of bananagrams. place all letters down on the center of the table. take 21 letters and proceed to play the game. only peel when needed. try to beat your own best time in using all 144 letters, or try making as few words to use all 144 letters. this can be a relaxing way of honing your bananagrams skills.

activity 20.1 trading in the old world-new world market - may choose to give some consumers two of the same card (for example, a new world consumer may be given two "chocolate syrup" cards). step 2 — on the backs of half of the old world cards, write the letter x (big enough to be seen, but small enough not to attract attention). leave the backs of the other old world cards blank.
